# EXCEPTIONAL NEAR LETTER QUALITY FROM PANASONIC

When you switch the Panasonic KX-P1091i dot matrix printer to near letter quality mode, get ready for a surprise. Because the characters are so well formed, you might have trouble distinguishing them from a daisy wheel. So the KX-P1091i delivers you all the advantages — the economy, speed and versatility of a dot matrix printer, plus the beautifully formed characters of a letter quality printer. All covered for the long run with a two-year limited warranty. Come in and see this exceptional printer at your Panasonic dealer today.
