

# HSC AUDIO TRACKS

Imagine TV without sound? Well, that's exactly what thousands do everyday when sitting through a business presentation without audio. But no longer!

Just plug in a SOUND BLASTER and load one of the HSC Audio Tracks Libraries. Then 'turn on,' 'tune in,' and let the board room roar with quality music and sound effects during your next presentation.

Each library is valued at \$79.95 SRP and includes 30 sound effects and production music matched to various categories.
