

Use of 3M Symbol by Distributors

The 3M Symbol used to indicate distribution relationship with 3M Data Storage Products Division must be accompanied by the modifying term "Authorized Distributor".

Do not use the 3M Corporate Symbol alone.

See 3M Guidelines for specific details.

3M Black Watch™ Half Inch Tape Cartridge

- 1/2" Tape Cartridge that exceeds the media requirements of IBM 3480 and equivalent tape drives.
- Black Watch™ backcoating protects valuable data by protecting tape against physical damage.
- Black Watch™ backcoating prevents attraction of airborne debris— a major cause of data loss.
- Smooth recording surface delivers superior head-to-tape contact for fewer dropouts.
